

Google Developer Groups Prishtina

Certificate of Attendance

This certificate is awarded to

Edon Berisha

For participating in the Core Web Vitals Optimization workshop during **DevFest Kosova 2024**. This hands-on workshop focused on enhancing participants' skills in analyzing, debugging, and optimizing Core Web Vitals, including **Largest Contentful Paint (LCP)**, **Cumulative Layout Shift (CLS)**, and **Interaction to Next Paint (INP)**.

Led by **Fabian Krumbholz**
